SUPPORT INITIATIVE

SUPPORT YOUR **STAFF**. SUPPORT YOUR **BUSINESS**

EXPERIENCE REAL-TIME VISIBILITY ACROSS YOUR ORGANIZATION.

YOUR SITUATION

What action do you take today so that you are in a better position tomorrow?

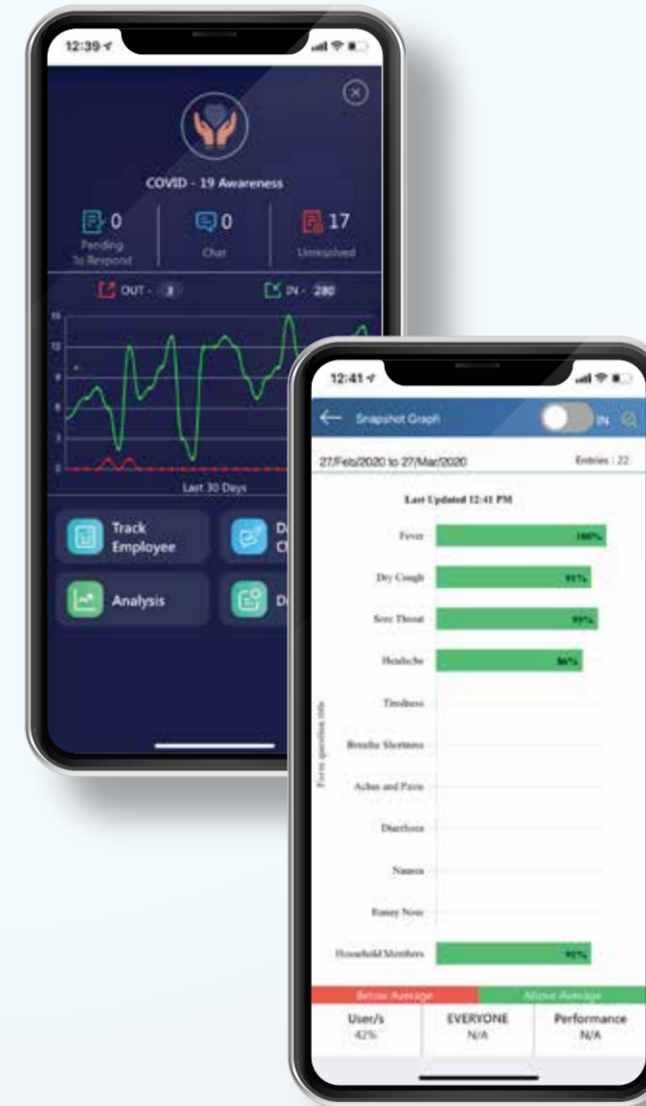

Covid-19 is creating unprecedented stress on staff and resources. Organizations must manage this situation with great care and at high speed. Staff and visitors must have their risk managed and yet operate at maximum possible efficiency.

Wherever your people are working – remotely or now planning a return to site – it is essential to understand and manage their wellbeing and demonstrate compliance with new (and evolving) government regulations and internal protocols.

YOU NEED

A Smart, Real-Time, Mobile Solution with:

- Simplicity of Use – For All Staff
- Most Rapid Possible Deployment and Distribution in Typically 3 Days
- Maximum Visibility to Management and Decision-Supporting Insights
- All Your Company Information – Securely In One Place
- Flexibility to Adjust to the Rapid Changes Ahead
- Demonstration of Compliance with Regulations and Protocols
- No ‘App’ For Staff to Download
- No I.T Governance Needed
- GDPR & POPI Compliant
- Securely Hosted Under 256Bit Encryption in Microsoft Azure
